that "Govt servants, treasurers etc who have to furnish security may be permitted at their option to place the security money in a cooperative institution" as in the case of Excise Contractors: The order of 1922 keeps of approved Co-op societies like Provincial Bank + Central Bank etc meaning hereby that only central & urban institutions or at best certain established urban institutions. It is not known how this order is given effect to and it seems desirable to obtain information from the Excise Commissioner whether the deposits (irrespective of central or urban or rural) amounts deposited in all Coop institutions are accepted as security from the Contractors and examine the question of extending the concession to other Govt servants also. 23 APR. 1937

G.S. 11-36-109

In continuation of my office letter No.2461/S.L. dated 31st March 1937 regarding acceptance of Fixed Deposit Receipts of Co-operative Institutions towards Security of Government servants etc., as recommended by the Co-operative Enquiry Committee, I have the honour to invite reference to letter No.D.Dis.Ac.1308/36 dated 3rd April 1937 addressed to Government by the Excise Commissioner in Mysore in the matter from which it is seen that the concession has not been availed of to any appreciable extent even by Excise Contractors who have to deposit fairly large sums. The Security deposits of Government servants should be in such readily realisable form as Government Securities, etc., and I do not consider it desirable to lay down a general rule that Fixed Deposit Receipts of all Co-operative Institutions may be accepted as security, but there is no objection to modify the existing rules to permit of the acceptance of the Fixed Deposit Receipts of select Institutions such as the Central Co-operative Bank, the Provincial Apex Bank or other Urban Co-operative Banks of approved standing with good resources and reserves. Even in these cases it is desirable to lay down a money limit, such as about Rs.500 - 1,000 up to which only the Fixed Deposit Receipts may be accepted as security. A certificate of the Registrar of Co-operative Societies in Mysore regarding the stability of the Co-operative Bank may also be prescribed as an

P.T.O.

additional safeguard before the deposit of any institution is accepted.

I have the honour to be,
Sir,
